Request Information

Request Title: Project Gateway

Request Amount: \$21,966 (+\$150 to reactivate account with Chapel & York) Total: \$22,116

Purpose of Request & Description of Activities

Project Gateway's work has historically focused on empowering the disempowered. Starting with helping individuals with basic needs, over the years it has developed programs focused on skill based training. Over 1000 students have received training in woodworking, metalwork, electrical training and Fashion Design. The Fashion Design program is teaches sewing and craft development. After this training the participants are provided Business Skills training so they may generate income for themselves and their families. These programs included follow-up training, focus groups and feedback to continue to help the student succeed.

The request for \$21,966 will be used for scholarships to help offset the cost of program participants. The total budget of the program is \$34,466, of which \$13,200 is for salaries and \$5,000 is mentoring costs. The funds will be used in 2015 and the into the first quarter of 2106.
